## Message from the Ex-Exchange Students

"My exchange at Gakushuin University was only for half a year but was indeed a rich and unforgettable experience. Even if sometimes the classes were quite difficult, everyone was here to help me out when I had questions, or needed encouragement. All my classes were in Japanese, which might seem scary at first but help me improve my ability much quicker than having classes in English, and I was having class with other Japanese students, not only exchange students, which was a big plus compared to other universities.

It was really encouraging to study with the teachers of Gakushuin, they were all truly helpful and compared to my home university. I am thankful, because of those intensive studies I was able to get much better, especially thanks to the presentations in Japanese and the help of other Japanese students in my department of Politics.

The campus is lovely, and walking every morning through the beautiful vegetation, being able to go to the pond and greet the fishes at my lunch break was a relief in such a big city as Tokyo. Everything was so convenient, there was many options to eat on campus, even a convenience store directly here with an ATM and all required services. I am a vegetarian and was afraid I might have difficulties to eat in Japan but there was always something I could eat, and if I had time I would walk around the lovely neighbourhood of Mejiro, just next door from the campus, where you could find many restaurants, such as soba.

I was happy to meet much other students, Japanese and from all over the world at the International centre, a place open to everyone that was always full of nice people. Particularly, the chat rooms organized every month were a perfect chance to meet new friends, speaking in your native language, Japanese or English."

— **DUPORGE, Alice Marie Andrée** ( from Université Paris Diderot, France / 2016-2017 )

" My decision to come to Gakushuin over other universities in Japan turned out to be the smartest decision I could have made. From day one, my time at Gakushuin has been unforgettable.

I would like to thank all of those at Gakushuin who made my time here an absolute pleasure. I can say with absolute confidence that my experience on exchange would not have been the same if I had gone anywhere other than Gakushuin. I hope to revisit and reunite with my new friends many times in the future. "

— **Butler, Sam William** (from University of New South Wales, Australia / 2015-2016)

"Taking a year off from university in Germany was the perfect opportunity for coming to Japan and studying at Gakushuin University.

I am enrolled as a law student and I am having a great time learning about the Japanese law system and exchanging views with the Japanese law students. Gakushuin University also offers Japanese language courses that are a great help for improving my Japanese.

All my law professors are very kind and helpful and the relaxed atmosphere of the campus makes me feel at home.

Thanks to the buddy system I made many Japanese friends. Together we go on trips in and around Tokyo (mostly Karaoke though). "

— **Seibert, Saskia Katharina** (from University of Bayreuth, Germany / 2014-2015)

## 1. 学習院大学について Gakushuin University

学習院大学は、1874 年、京都に設立された、貴族子弟のための教育機関「学習院」にその起源を持つ。太平洋戦争（第二次世界大戦）の後、華族制度の廃止に伴い、1949 年、「学習院大学」が、純粋な私立大学として設立された。

現在、本学では、5 学部 17 学科、専門職大学院、及び 6 研究科（大学院）20 専攻を擁し、広範囲にわたる学習の機会を提供している。学習院大学は、東京の中心部、目白に位置しながらも、キャンパスは豊かな緑に包まれ、1 年をとおして四季折々の表情に彩られている。

Gakushuin's origins lie in the "Old Gakushuin" established in Kyoto in 1847 as an educational institution for the Imperial Court. After the Asia-Pacific War, owing to the abolishment of the nobility, "Gakushuin University" was established as a purely private university in 1949.

Now we offer students ample opportunity with 17 departments in 5 faculties, 1 professional graduate school, and 20 graduate courses in 6 schools. Gakushuin University is located in Mejiro, in the centre of Tokyo. The campus gives many different impressions from season to season with its rich greenery.

協定留学プログラムでは、入学料や授業料などが免除され、例年、20 から 30 人の留学生が、協定校より本学へ留学している。

留学期間は、半年間ないし 1 年間で、4 月か 9 月の初旬から始まり、日本語や日本文化、また自分の専攻領域の講義に参加する。講義は、主に日本語で行われる。国際社会科学部では多くの授業が英語で行われている（4）授業内容（平成 30 年度版）を参照のこと。

We accept approximately 20-30 exchange students per year from overseas partner universities under the Exchange Programme. Admission fees and tuition fees are waived.

They attend lectures on Japanese language and culture, as well as those in their own area of specialization.
